

## Ask the Experts: Open Forum

Whatever is on Your Mind, Lay it on Our Minds...Doesn't Matter if it's Software, Hardware, Networks, Vendors, Contracts, Processes or Anything Else You Deem Important

This open forum will allow you to get all of your questions and concerns addressed, no matter the topic. You will have access to three of the most experienced minds in the club market, each with a diverse background that complements the others. No question is too difficult or far out, and no topic is off limits.
